

Leather Christmas trees

The products you need:

- Black leather
- Contact glue
- Hobby knife
- Cutting board
- Pencil
- Cardboard for template

<p>Step 1</p> <p>Make a template for your Christmas tree with cardboard or cardstock. Outline the template on the back of the leather with a pencil.</p>	
<p>Step 2</p> <p>Cut out three trees with a hobby knife. Fold the trees in the middle vertically.</p>	
<p>Step 3</p> <p>Apply glue to the three trees and connect them.</p>	
<p>Step 4</p> <p>To add a little extra Christmas spark, you can apply glitter glue onto the edges of the tree.</p>
